The **mission of The Fort Worth Public Library Foundation** is to benefit both the Fort Worth Library and the Fort Worth community by providing resources that support educational programming, buildings, and infrastructure improvements.

Libraries are a part of America's tapestry and essential to the life of our community. Promoting early learning to lifelong learning, providing resources for job training and life skills, encouraging families through interaction, gathering our neighbors together for entertaining—libraries change, even transform lives.

Since 1993, the partnership between The Fort Worth Public Library Foundation and the Fort Worth Library has resulted in more than \$9,000,000 in funding through:

- Support of library programming and projects
- Launch Pad College Application Program: Offering guidance to all Fort Worth students
- Children's Author Series: Bringing authors to 43,000 children in all neighborhoods
- Priority Literacy: One-to-one tutoring for adult English learners
- Books for Tarrant County Babies: Partnering with JPS Foundation to provide a bilingual book and library card to every baby born at JPS, approximately 5,000 babies in 2017
- STEM Programs: Mobile makerspaces feature learning opportunities for all ages in the areas of Science, Technology, Engineering, and Math
